

## CJ's CLUB NEWS SPLASH

Hello all

We are only 3 weeks away from our Sign-On Day - 12 September! Swimmers are coming back to the pool after winter sports and new families have been joining up before the beginning of the season. Things are falling into place and we are gearing up for another great season.

### Revamped outdoor 25 metre pool finished

The pool has been completely retiled and renovated. It's looking fantastic and will be a great asset for our junior and intermediate swimmers. The Centre also has plans to renovate the padding pool very shortly.

### Coaching staff

Lorraine Patterson arrived back from a long holiday in Fiji. Lorraine has a lot of family and friends in Fiji and it was the first time to show her lovely baby.

But she is really keen to get back to the pool to help out with the juniors and intermediate squads. Lorraine has also kindly volunteered to be our Club Race Secretary. This is a very important role in the smooth running of Friday Club Night and race meet nominations.

An **enormous** thank you goes to Karen Malony-Kelly, who is stepping down from this role (once Lorraine is up to speed). Karen has spent countless hours last season ensuring nominations are correct and monies are paid. It has been Karen's terrific effort and amazing calm nature that has ensured many club nights happen. Thank you once again.

### 2010/2011 Handbook

With our Sign-On only weeks away we are in the process of finalizing the 2010/2011 Handbook. Once finished, we will be handing a copy to each family. The new Handbook will also be available to download on our website shortly. [www.cjsswimclub.com.au](http://www.cjsswimclub.com.au)

The Handbook will contain lots of useful information, such as the recommended swim meets Mark, our Coach, has targeted for the junior, intermediate and senior swimmers.

Also you'll find our Friday Night Club events schedule for the first half of the season.

**We are looking for anybody you has access to a colour copying machine to print this seasons Handbook. We will need to print about 50-60 books. If you know a business that would like to assist, the committee would be very grateful. Please contact Rowan Bate directly on 0408 016 090.**

### Carina Leagues Club Sponsorship dinner

Rob Maxwell, Rowan Bate and Mark Davies attended the annual Carina Leagues Club Sponsorship dinner last Thursday night. It was a chance to mix with other committee members from the 27 sporting and social clubs that benefit from Carina Leagues sponsorship. We are happy to announce that all CJ's adult members will gain automatic **free** membership to the Carina Leagues Club on registration.

If you haven't filled out the Carina Leagues application form let, please go to our website to download the form. Fill it out and hand it over on Sign-On day.

### Queensland Short Course Championship

This coming weekend a lot of our swimmers will be competing in this important swim meet. This will be the accumulation of many early dark cold morning trainings for our dedicated swimmers. We wish them all the best.

### Club meeting – this coming Wednesday – 25 August. **\*NEW VENUE\***

As scheduled, we have a club meeting from 7pm – 8pm this coming Wednesday.

Some great news – **we have a new location for our meetings**. The Clem Jones Centre has recently built meeting rooms above the old squash courts next to the Centre's gym.

Steve Heald has kindly allowed the club usage of these brand new facilities. All members are welcomed to attend. We need assistance for a busy time for the club.

Come and join in.
